COMPLETE WORKS OF H. EMILIE CADY

15:4 “God radiates from the Center of my being.”

12 Wait for God in the silence, relaxed and open.
   1. Self-reliant or “can do” spirit.
   2. Superb confidence in Truth principles.
   3. Give words of love and encouragement.
   4. Be willing to release the various cases to God.
   5. Give the very best I know how to give.

Math 25:23 “Well done enter into the joy of thy lord.”

6:4 6. There must be a complete transfer of the problem to God.

15:4 I knew others with acute financial need who practiced Emilie Cady’s instructions on prayer and believed that while they waited upon God in active passivity, God was radiating from the center of their being to the circumference and out into the visible world as supply. They received money almost at once.

   God’s power would supply me. Give with no thought of return, a free giving. God said why this failure?

Gen 1:3 God said, “Let there be light and there was light.” God said, which means the spoken word. We must speak the request, demand, command.

1. We set the supply principle in motion.
2. We activate it and direct it by the spoken words, definite words.
3. Give and receive with no thought of getting a return.
4. Fear is about faith and trust. Habitually failing to demonstrate money is about being scared. When there’s trust and faith we can succeed and be the person we want to be.

9:5 In order for God’s power to work for you it must work through you.
10:4 Draw supply to self without employing physical means. Demand and receive. Dr. Cady showed her implicit faith in the law by demanding and receiving a large sum of money, which she needed to reimburse herself for the time and money she had given to suffering humanity. She pictured the amount she wanted and then claimed it for her own, and within a short time after she made her creation, a stranger brought to her what she had demanded.

1. Merge: think of the energy of giving and receiving.
2. Meditate.
3. Feel the energy of giving
4. Feel the energy of receiving, ONE ENERGY
5. Feel the energy for self: relax, passive, then activate and feel the energy through you.
6. Direct It, activate It. Feel the power in motion.
7. Give the direction through a powerful spoken word, knowing and believing.

*Psalm 62:5*  Florence Scovel Shinn – God is the Giver and the Gift and creates His (Its) own amazing channels.

What I want is my business, how it comes to me is God’s business.

Create a Merge: Imagine myself in the now right here. Merge present and future as One. Acknowledge I am present in the future feeling as I am now – happy, content, and fulfilled completely financially stable. Smiling.

*Psalm 46:10*  “Be still and know”

13:2 Emilie Cady speaks of an :active passivity” in the silence.

Dr. Johannes Schultz – neuropsychiatry – West Germany. Speaks of passive concentration = casual attitude.

13:2 create an active concentration in the silence = expectancy

13:3 Key: have an indifferent and passive attitude toward the body function as well as affirming and picturing the desired result already achieved.

1. Indifferent and passive = divine nonchalance.
2. Affirm and picture = ask and see = hear demand.
3. Expect desired result = already achieved.
Example: Bio Feed Back had people put their hand in cold water and told them to mentally warm their hand. With mental effort nothing happened. They then were told to do the same test but this time to affirm passively and picture in the mind in a lazy and indifferent way to warm their hand and Walla! It worked.

**LESSONS IN TRUTH** BY H. EMILIE CADY

Page 20 “I did not choose God, God chose me.”

20 Romans 14:11 “Every knee shall bow to Me and every tongue shall give praise to God.” An expression of the order of divine law.

21:1 The human consciousness comes to a place where it gladly bows to its spiritual Self. (higher self)

Ps. 93:1 “The Lord is king.” Everyone must sooner or later come to this point of experience.

Exodus 14:3 “Do not be afraid, stand firm. Stand alone with his God nothing else avails.” Einstein “I want to know God’s thoughts, all else is details.”

22:2 Our liberty comes from an understanding of the mind and the thoughts of God toward us.”

Rom 8:17 “every man is the inlet, and may become the outlet, of all there is in God.” All that God is and has is in reality for us, His (Its) on heirs. Claim our inheritance.”

23:2 It is through Christ (Truth) the indwelling Christ (Truth) that we are to receive all that God has and is, as much or as little as we can or dare to claim.

23:4 Search for Truth not for rewards not for creed to follow, must be our living a life. Seek to be Truth consciously, to be love, wisdom, intelligence, etc.

23:5 Every right thought, and unselfish word consciously is bound by immutable law which equals good results. Let results take care of themselves.

24:4 During Meditation:

1. Drop failure thinking
2. Center thoughts on what you know about God.

8. Become fully conscious of our oneness with all perfection.

2 nd lesson  

STATEMENT OF BEING

29  God is Spirit – Creative Energy which is the invisible life and intelligence underlying all physical things.
30:1 This Creative Energy is invisible, intangible, very real which we call life. This Creative Energy is love. Love can be clothed with a form. This Energy is Wisdom and Intelligence. This energy is projected through a visible form. This Creative Energy is Power. The Power is waiting for direction.

31:1 Creative Energy is the Good Itself. When in its absolute perfection It goes to make up that invisible energy, we call God-Good. Each rock, tree, animal, every visible thing is a manifestation of the one Spirit. (Creative Energy) One drop on water taken from the ocean is just as perfect ocean water as the whole great body. Precisely the same ratio whether one drop barrelful or entire ocean. Each contains the whole and yet no one would make the mistake of supposing one drop is the entire ocean. Me: Some say, “I am God,” but to me I am only a drop of creative energy in different quantity or degree from others.

31 The Creative Energy is the creative cause of every visible form of intelligence, wisdom, love, and life. God is Principle = impersonal unchangeable inexorable principle at the source of all existence.

33 last paragraph. Creative Energy – God = Good is the Source of Being. The Source. The Creative Energy is the living fountain of all. (Good = life, love, wisdom, power) The giver of all Creative energy. The real substance with in everything we see God, Creative Energy in different degrees of manifestation, one life comes forth out of the invisible Creative Energy into visible forms.

3rd lesson There is in reality only one Mind, (Creative Intelligence, life, wisdom, love.) In reality all are one as steam, water, and ice are one only in different degrees or different forms.

36 Beliefs = no way of knowing truth from falsehoods. We gather information from the outside world through the five senses. Beliefs become our law.
I Cor 2:9-11  “No eye has seen, nor ear heard, nor the human heart conceived, what God, (Creative Energy) HAS prepared for those who love Him”

(11) A shortcut to the top of the hill. Go alone, think alone, seek light alone. 1 John 2:27 Our intellect argues – Creative Energy reveals Truth to man. Take a thought: “I am enough” or “God loves me”

40
1. Great desire – pleasant warmth = love
2. Truth flows out through you into surroundings.
3. Feel love through (Creative Energy)
4. Watch things begin to change.
5. The outcome is harmony.

My Idea:

1. Decide on something to let go. i.e. emotion, irritation.
2. Choose something to replace it. Love, and/or gratitude, thanksgiving.
3. Merge with the old emotion, 2 minutes feel it.
4. Create new emotion, blend letting the old go. Truth flows out surrounding all.
5. Be a radiating center of Creative Energy, we must radiate, it’s all about the creative energy.
6. Ask – how is it possible I get so much work done? It leaves time to play.

45

DENIALS

Acknowledge the appearance of a circumstance but deny its power over us.

46 Mt. 16: 24 let them deny themselves.

My idea:

We deny beliefs, negative thoughts, negative feelings, as having no power over us. Mt. 6:32 express love, negatives with gratitude as its information.
2 METHODS OF DENIAL

1. To deny that any such things have, or could have, power to make us unhappy.
2. To deny that these things do in reality (in the absolute, Creative Energy) exist at all. Only the eternal is real.

Deny = to refuse to grant; to declare untrue, negative appearances are directly opposed to the teachings of Truth.

Our thoughts control our bodies and our circumstances. All good of whatever kind is God come forth into visibility through people or some other visible form.

4 Common Error Thoughts

1. There is no evil.
2. There is no absence of life, substance or intelligence anywhere.
3. Pain, sickness, poverty, old age/death cannot master me, for they are not real.
4. There is nothing in all the universe for me to fear, for greater is It (Creative Energy), that is within me, than he that is in the world!

4 Affirmations to Bring Good to Self and Others

1. God (Creative Energy) is life, love, intelligence, substance, omnipotence, omniscience, omnipresent.
   a. A quality of God = Creative Energy
   b. Think of the meaning when speaking Truth.
   c. If God is All where is the other power of fear, evil, etc.? Within your mind which is being feed by negative energy. Don’t feed it.

2. I am a part of Creative Energy and governed by its blessing.
   a. Use the spoken word to ask for protection releasing/comforting = harmony, etc.
   b. God’s attitude toward you does not change one iota.
   c. You only change your attitude and build trust.
3. I am Spirit, perfect, holy, harmonious, I manifest my real self through this body now.
   a. I am a part of Spirit (Creative Energy) having a human experience.
   b. My attitude creates my experiences/situations.

4 God (Creative Energy) works in me to will and to do whatever It wishes me to do, and HE cannot fail.

**My Idea:** I give permission and my inner trust to Creative Energy as a spiritual vehicle expressing through human experience. I practice releasing my desires/wishes and commit and affirm not my will but thine. My desire and passion is to teach and show by demonstrations how to achieve peace/harmony.

*Ps. 145:16* “Open your hand, satisfying the desire of every living thing”. To have harmony/peace on the planet, use love, trust, faith, gratitude as the link. God is your defense and deliverance, remember to ask for your desires.

61:4 Denials have an erasive/dissolving tendency. Denials work for intolerant, aggressive people. Characteristics of denial: timid, inefficient, fear, gives up, anxiety, doubt, negative, passive. Affirmations build up, give strength, courage, and power.

*Mk 11:24* Ask for the good you desire. “Ask for the good in prayer, believe (claim/affirm) you have received it and it will be yours.”

*Luke 21:15* “For I will give you words and a wisdom that none of your opponents will be able to withstand or contradict.”
   a. Depend fully/trustingly on Principle.
   b. Knowing you know the Truth

**SIXTH LESSON**

Faith – one that has been generally thought to denote a simple form of belief based on ignorance and superstition.

*Heb 11:1* “Faith – is the assurance of things hoped for, the conviction of things not seen.” 64:1

*Heb 11:3* “What is seen was made from things that are not visible.”
My Ideas: Faith = trust brings things into actuality for us. Creative Energy creates when we ask and trust it to bring into form.

MK 9:23 Claim your fulfillment. “All things can be done for the one who believes.”

65 Blind faith = instinctive trust in a power higher than ourselves. I don’t know but I hope. This is founded on evidence of the senses and it is not reliable.

Understanding faith is based on an immutable principle, which means I know that I know. It is born of intuition and its action is infinitely higher than that of reason. Intuition is the invisible channel ever connecting each to/with God.
